

Creative Staffing With Pastors2Go.com “Guest Pastor” Application

The Vision: Living Waters Lutheran Church of North Port, Florida is looking for clergy who desire “free housing” in exchange for part-time services on a limited basis (1-3 months).

The Purposes of the program are:

- ◆ To provide our church with a steady flow of gifted guest pastors to serve as worship leaders and ministry consultants
- ◆ To provide clergy free housing as they pursue a sabbatical, take a vacation, do pre-retirement planning, visit relatives, work on a dissertation, or whatever...

Guest Pastor Selection:

Guest pastor applications are approved as soon as possible. Priority consideration will be given to candidates whose schedule works with openings on our Guest Pastor Calendar and whose pastoral experience and gifts can help us further develop our organization and our people for ministry in the 21st century. Our focus for 2011-2012 is on Youth & Family Ministry.

Funding: The responsibility for all expenses (except housing) remains with the candidate. It is expected that “no money will change hands” between the candidate and the church.
